This limit may be changed at the discretion of the organizer.

### 1.1 BET (Big Epic Trail) is an extra distance for the 5th Anniversary Edition EUTR 2022

BET is an autonomous trail where the route passes partly through some places [terviserajad.ee](http://terviserajad.ee)

BET - 450 km adventure trail with a cut-off time 150 hours

Pre-registration opens in November 2020

Registration will open in November 2021

On the day of the registration opening, the cost of the registration fee can be up to 750 euros. The exact cost of participation will be known by the day of registration opening, therefore, by registering preliminarily in advance, you must be ready for this.

Also, the athlete must be ready for the compulsory equipment, which may entail additional costs for you, we recommend that you purchase an INREACH hand navigator that can be included in the compulsory equipment to be admitted to the start.

The pre-registration fees and the full registration fee for participation are non-refundable, refund is possible only if the additional distance does not take place due to the fault of the organizer.

Distance limit - 25 start numbers.

Admission is required for the distance - qualification: the participant must have at least a finish from the ITRA calendar at a trail distance not less than 120 km before registration is open

In Estonia you can pass the qualification - finish the distance EUTR 120 km

Welcome to a new story!

## 2. The goals of the SK ETR project

The goal of the SK ETR sports club is to develop and popularize trail running in Estonian

## 3. The purpose of the SK ETR project

Organisation and conducting of the annual international sports event on trail running, identifying the strongest athletes and enhancing the athletic skills of Estonian athletes as well as athletes at the International level, developing the EUTR competition to the level of the Estonian Trail running Championship.

#### 4. Start

The centre start of EUTR competitions is situated in Estonia, Ida-Virumaa, on the territory of Akkekula(Nut Hill). Start on every distance EUTR® CUT TTW will take place on Saturday 7th of August in 2021 at 5:00 a.m. EUTR offline trail and assistance on the track is forbidden.

#### 5. Track

EUTR® GPS <https://tracedetrail.com/index.php/en/trace/trace/149780>

CUT GPS <https://connect.garmin.com/modern/course/32958028>

TTW GPS <https://connect.garmin.com/modern/course/33742563>

The track consists of one segment with the length of about 32 km in one direction of the crosscountry with the return on the control point (32nd km) and following back to starting point. The segment presents one lap of EUTR which amounts the distance of 63 km it is the track CUT. Trail EUTR® contains the distance of two laps.

Trail TTW supposes the return on the point of about 17 km and running back to the start, the length of this distance is about 33 km, it is TTW track.

CUT trail has 1 maintenance station on the 0 km point (start/finish), it supposes complete autonomy on CUT trail.

Trail EUTR® is opened for 19 hours.

Trail CUT is opened for 9 hours.

Trail TTW is opened for 6 hours.

Resting points are situated on the 32 km, 64 km, and 95 km.

Time is limited for 17 km – 3 hours, for 32 km – 6 hours, for 63 km – 9 hours, for 95 km – 14 hours, and finishing point for EUTR® is 19 hours.

On the maintenance station there will be suggested water and food products. The water is poured into the athlete's container.

The track is marked in 10-200 m, on the difficult parts of track the marking is in vision length, and there is no marking on the straight sections of distance.

For their safe athletes have to follow the markers of the trail, uploaded GPS tracks and the signals of movement controllers. It is allowed to decline into left or right of the distance but no longer than 200 m.

The participants who exceed the time limit are eliminated from the route.

In the organiser's right to change the distance or the amount of control points in the case of unpredictable situations, informing the participants (in written or oral form) at least 24 hours before.

#### 6. Finish

Finish is on the 0 km. Finish for the distance EUTR® is closed after 19 hour since the starting moment, at 00:00. Starting/finishing point is closed at 00:30. All the participants in the set time limit (cut-off-time) who reached the finish line will be waited with a medal.

#### 7. Participants

All people over 18 years old who are sufficiently prepared for overcoming the distances may take part in the EUTR competitions. Before the registration the organisers recommend to check health, to have a confirmation from a doctor that participant is able to run the desirable distance, and to have a valid insurance policy for the period of sport event. Also we recommend to get an additional insurance from ITRA on the days of competition.
